Another Successful SP&H Networking Mixer

On Thursday, May 3rd, SP&H hosted its Annual Mixer in celebration of Cinco de Mayo. Since as usual, we couldn't wait, we hosted a Tres de Mayo event. In honor of SP&H's 20 year anniversary, we held a raffle with great prizes. A good time was had by all and we thank everyone that joined us. We look forward to keeping the celebration going, so stay tuned for more information about upcoming events.

The road to SP&H's 20th year...

In celebration of SP&H's 20th year, we will be sharing the musings of employees past and present on the formation of SP&H and our journey over the past 20 years.

To SP&H: "Congratulations to many years of success and having a positive impact on the L.A. community. I am proud to have been associated with the founding and nurturing of this firm. From Nevin and Tom and cast, I have truly learned to appreciate and embrace the

"In my 6 years with Sanli Pastore & Hill I have had the opportunity to work with and learn from some of the most experienced people in the business valuation field. I have come to know a lot about specialized valuations we do for our clients based on their individual needs. I am proud to work for a firm that can take the time to customize things instead of approaching them from a cookie-cutter standpoint. Tom Pastore's attention to detail and exacting analytical skills have enabled me to see my work product in new and better ways. Nevin Sanli's determination and unwavering drive towards excellence has propelled me to accomplish things that I never dreamed possible. From working with SP&H's managing executives on a daily basis, I know that the Sanli Pastore & Hill brand and vision are a reflection of all of their best personal attributes. "

Ashley Blankenship
Manager, Special Projects

"Twenty years ago they had a vision, an unthinkable dream which they turned into a reality. For Nevin and Tom, SP&H was not just a dream but became an exemplary, successful and prominent business valuation firm. The years brought expansion and change. The business that once operated out of Nevin's living room moved to new quarters and has become a multimillion dollar venture. I have been so fortunate to have been a part of the growth of SP&H and have learned so much from the guidance of Nevin, Tom and Forrest. It is through their efforts and dedication that SP&H is renowned for the integrity and excellence of the work that is provided to our clients. Initiative, perfection, integrity, honesty, responsibility and quality are some of the core values that have made SP&H a distinguished leader in the industry. SP&H is not just a business, but a team of people who believe and live by these core values and principles. The training and guidance Nevin, Tom and Forrest provide to each of the "team members" continues to build and add strength to the team with new ideas and new products and techniques to provide the ultimate services for our clients. SP&H has given each of us wings and it is up to each of us how far we fly. Nevin, Tom and Forrest are always open to new ideas and believe in expanding the horizons, or as stated in the SP&H Core Values, "Dreaming the Unthinkable". "
